

Welcome To Elevate

We're so excited to have you on board with Elevate, the #1 productivity platform in real estate, and we hope you're excited too! Over the next few days our team will work with you directly to get your account setup and active. It's super easy because we do all the heavy lifting!

Here is what you can expect...

The Next Steps...

Meeting Your Elevate Team

You will receive an email and text message from an Elevate fulfillment manager who will be setting up your account. It will provide you with a link to an online form.

Please fill out this form as quickly as possible to the best of your knowledge. This will help us launch your platform asap!

Schedule a Time

There is also a link to schedule a time with your fulfillment manager to help complete your account. It's a great time for us to find out more about you, your brand, and some additional details to make sure your platform is up and ready in no time.

Getting You Connected

We'll be connecting your social channels into your Elevate platform for you, so have those login credentials ready!

Follow-up

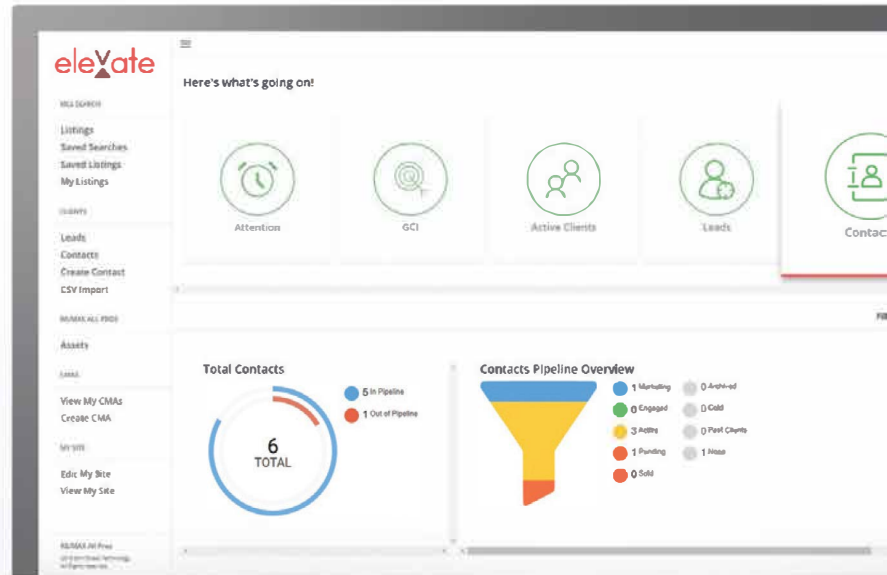

Your fulfillment manager will follow up for any additional details or information they may need, but once your platform setup has been completed & reviewed by our excellent Quality Control team, you will be sent a notification letting you know it's ready!

Key Features You Will Like...

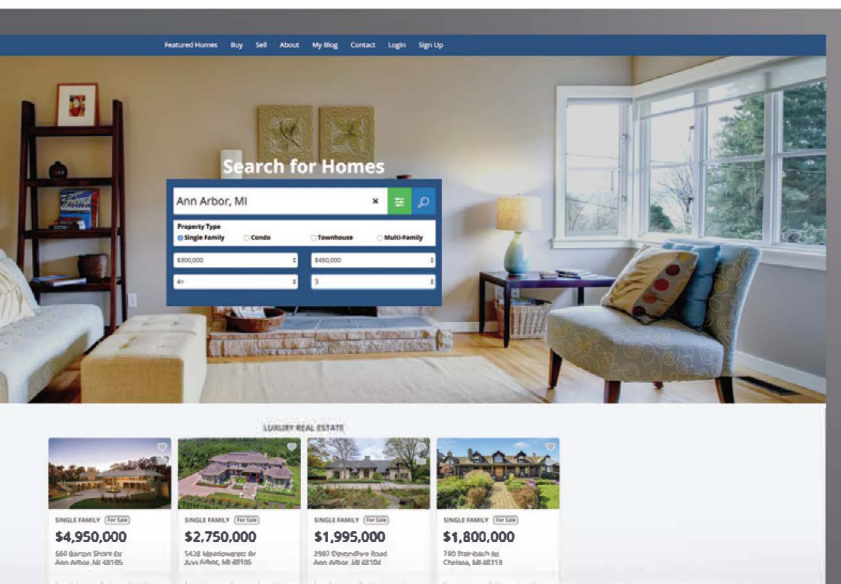

Your Elevate CRM®

You can start importing leads and inviting them to join your website! New leads who come to your site will be added, and you will be able to receive daily reports on their activity, see their lead score go up, and have reports, listing, and market updates automated to them!

Your Elevate Website

You have full control over your website and can brand it however you wish! Already have a stellar professional brand? Fantastic! Our team can assist with getting your site updated. Need a brand refresher (or a starting point), reach out to our team at **3SixtyFive** and get a free consultation for a branding package!

Your Elevate Email Marketing Platform

You have access to a robust email marketing platform inside of Elevate that allows you to easily route leads into nurture and follow-up campaigns, create and send out emails to your database, post additional social content to your channels, and monitor your lead engagement with your content.
