

Welcome To Elevate

The 1st true productivity
platform in real estate.

Here is what to expect over the coming days...

The Next Steps...

STEP 1: Meeting Your Elevate Success Team

You will receive an email and text message from the Elevate Success Team who will aid in setting up your account. The email will provide you with a link to an online information form that you should fill out as quickly as possible and to the best of your knowledge. This will help us launch your Elevate experience as soon as possible!

STEP 2: Scheduling Setup Time

Your Welcome email will also feature a calendar link to schedule time with the Elevate Success Team to set up your Elevate experience. This one-on-one time is a great opportunity to find out more about you, your brand and any additional information needed to set you up for success.

STEP 3: Getting Connected

During your one-on-one time with the Elevate Success Team,
we'll connect to your social media channels.
Please have your login credentials ready.

Going LIVE

Your Elevate Success Team will connect with you for any additional details or information needed to complete setup and prepare for launch.

Once your Elevate experience is ready to "go live", everything will be reviewed by an Elevate Quality Control specialist. Upon approval, you will receive a Welcome email to let you know your Elevate experience is ready!
