Wheel of Life

Self-Evaluation

1. **Rate Yourself** on a Scale of 1-10 in each of the 7 major areas of life (Draw a Dash on the Wheel where you rate your life for each area, and then color in that section).
 2. **This Week:** Write down 1 thing you can do THIS WEEK to make an improvement in this life area.
 3. **This Year:** Write down 1 thing you can do in the next year to make 2020 your best year yet in this area.

Dream Big Exercise

1. **Dream BIG:** Don't pre-judge what you can and cannot accomplish. Write down every big goal that pops in your head, without killing it with what you think is "reality". We will take time to clean them up later, for now, dream BIG, really BIG!
2. **Write What You Want to Move Toward:** Always state your goal in the positive.
Example: "I weigh 175 pounds by June 2020" instead of "I want to lose 30 pounds"
3. **Use the words "I am":** Write "I am a millionaire by 2020" not "I want to be a millionaire". Your brain will reinforce the "wanting" to be a millionaire.
4. **Make your Goals SMART:** After your brainstorm session, clean up your goals by making them all Specific, Measurable, Attainable, Relevant to what YOU want (not what you think others want from you), and with a Time and date the goal will be accomplished.

Health & Fitness (What would make your life a 10+ in this area?)	

Business & Career (What would make your life a 10+ in this area?)	

Lifestyle & Adventure (What would make your life a 10+ in this area?)	

Financial & Investment (What would make your life a 10+ in this area?)

Family & Friends (What would make your life a 10+ in this area?)

Personal Growth (What would make your life a 10+ in this area?)

Pick your Top 1-2 in Each Area: Review all of your goals and circle 1 or 2 in each area that would mean the most to you if you accomplished them in the next year. Then, pick just your top 10 life goals and write them below.

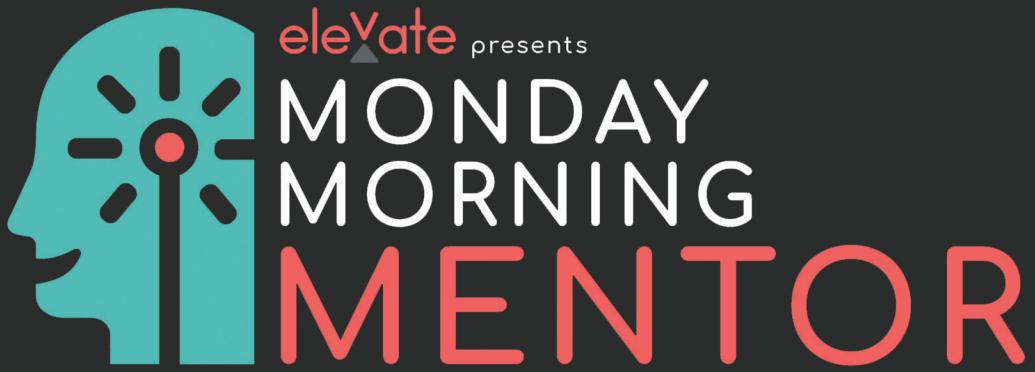

Print this list and read it every single day: Post it next to your coffee pot. Post it on your Bathroom Mirror. Make it the screen saver of your phone and computer. Laminate it and put it in your shower. If you read this list out loud every single day, you will accomplish all of it.
